MEMO NO. 63-078

29 August 1963

Dear Jerry,

This will confirm negotiations for four "A" camera subsystems based upon FSDS fixed price proposal dated 5 June 1963, as modified. At the negotiation meeting on 26 August 63, in Los Angeles, the Government and FSDS agreed that the fixed price for hardware would be [redacted] This price includes changes identified as follows:

25X1A

25X1A

In the event any of these changes are not approved it is understood that the fixed price of [redacted] will be reduced accordingly.

25X1A

In addition to the [redacted] for hardware, it was agreed that the fixed price for spares would not exceed [redacted] Further agreement was reached on the effort for field support at [redacted] which figure is to be reduced slightly to reflect [redacted] Field support will be handled as a separate contract, most likely time and materials.

25X1A

Your interest in concluding negotiations at an early date is most appreciated. It is anticipated that the contract to cover this effort will be issued very shortly.

Very truly yours,

Art
